## Be Wise to Scams

We are hearing of more and more scams in our area, stay safe with our tips. Be Wise

– Government and financial institutions will never ask for information by email.

– Don't give information yourself, instead confirm what the cold caller already has. Beware - Scammers have a surprising amount of accurate data.

– Never give complete passwords or full account information but instead confirm certain letters or the last few digits.

– If someone phones you, take their details and phone them back later that day from a different phone. Scammers often keep the call connected so phoning back immediately from the same phone is like being put on hold and doesn't create a new call.

– Request written information before making a decision, but beware of giving your address if they don't already have it.

– Don't give anyone 'remote' access to your computer over the phone.

### Signs of a scam

– The call, letter, e-mail or text has come out of the blue.

– You are asked to send money in advance.

– You are under pressure to respond quickly, no time to think about it or get advice.

– You're offered something for nothing and it seems too good to be true.

– Scare tactics are used, for example claiming your computer has been hacked or identity stolen.

### What to do if you have been scammed

– Report it to Action Fraud on 0300 123 2040 to help stop it happening to others.

– If you've used your credit or debit card ask your bank for a chargeback.

– Get advice and report it to Trading Standards through the Citizens Advice consumer service on 08454 04 05 06

## Future Event

Alsager Arts Association  
Annual Exhibition
